A screenshot of a Windows 10 desktop. In the foreground, a dark-themed Java IDE window is open, showing a Java file named 'R192424123.java'. The IDE's interface includes a toolbar at the top, a menu bar, and a main editor area. To the right of the IDE, a Windows File Explorer window is open, displaying a folder named 'reenshots'. It contains two files: 'Screenshot 2026-05-09 084701' and another file. In the background, a Windows Command Prompt window is open, showing the execution of Java commands: 'javac R192424123.java' and 'java R192424123.java'. A small, light-colored dialog box titled 'FlowLayout Example' is overlaid on the Command Prompt, featuring three buttons labeled 'Button 1', 'Button 2', and 'Button 3'. The Windows taskbar at the bottom shows the Start button, several pinned applications (including Edge, File Explorer, and the Java IDE), and the system tray with the date and time '08:47 09-05-2026'. The language is set to 'ENG IN'.

The screenshot displays a Windows 10 desktop environment. A large black command prompt window is open, showing the execution of a Java program. The command prompt title bar reads "C:\Windows\System32\cmd.exe". The text inside the window is as follows:

```
Microsoft Windows [Version 10.0.26200.8246]

C:\Users\aswan\Downloads\JAVA>java R192424123.java

C:\Users\aswan\Downloads\JAVA>javac R192424123.java

C:\Users\aswan\Downloads\JAVA>java R192424123.java
```

Overlaid on the command prompt is a small, light gray window titled "Student Registration". It contains a text input field with the name "Suganthan", a "Submit" button, and the text "Registered: Suganthan" below it.

In the background, a file explorer window titled "Screenshots" is visible, showing a list of screenshot files with thumbnails and timestamps.

The Windows taskbar at the bottom shows the Start button, several pinned application icons (including File Explorer, Edge, and various utility apps), and the system tray area on the right displaying the date and time as "08:48 09-05-2026".
